

# Sarah's Dance Studio

August /Sept 2010

Sarah's Dance Studio welcomes you to the 2010-2011 dance season. The goal of the studio is to provide a positive dance experience to all that are interested in learning. Dance is a discipline that exercises the mind as well as the body and I feel that the experiences in dance should lead students positively in other areas of their lives. I will strive to build confidence and instill a love for dance the way I do. I hope you enjoy your dance experience and I look forward to having you in dance class this year.
