

# *Let's all stay healthy*

## *DO YOUR PART*

- What to Bring: Small dance bag with dance shoes,
- Drop off and pick up: Only five before and after dance class, parents encouraged to wait in vehicles until class is dismissed and pick up child at door, older children allowed to wait outside, younger children will be released with parent
- Masks are optional
- Food and Water: No Food is allowed in the studio and a water bottle is required if student needs a drink, sink room will be closed off
- Sanitize hands before Entering and Exiting the studio, this is available at studio
- If your child is not feeling well please stay home

## *WE'LL DO OUR PART*

- We Sanitize our hands
- We Disinfect the studio and other high traffic areas between classes
- We modify our dance class structure to allow social distancing to happen during dance class
- We temperature check our staff, if feeling sick staff will stay home

*Thank you!!*
